# *Saluting Their Service* Commemorations Program – Major Commemorative Grants

General feedback for applicants

---

## Overview

The Major Commemorative Grants (MCG) category of the *Saluting Their Service* (STS) Commemorations Program (the program) aims to support the Australian Government's commitment to acknowledging and commemorating those who served Australia and its allies in wars, conflicts and peace operations.

The program is designed to preserve Australia's wartime heritage and to involve people throughout the nation in a wide range of projects and activities that highlight the service and sacrifice of Australia's service personnel in wars, conflicts and peace operations, and promote appreciation and understanding of the role that those who served the nation have played in shaping the nation.

## Selection results

There was a strong response from organisations and community groups across Australia to the STS MCG funding round.

All applications under the STS MCG round selection process were assessed in accordance with the Community Grants Hub (the Hub) policies.

## Selection process

Projects were selected through an open competitive process.

All applications that passed the initial compliance and eligibility checks were assessed and moderated against the assessment criteria. A Selection Advisory Panel comprising Department of Veterans' Affairs (DVA) representatives made recommendations to inform the Commemorative Grants Advisory Committee (CGAC).

The CGAC was chaired by the Repatriation Commissioner of DVA and comprised of representatives from the Returned and Services League of Australia, the Australian Local Government Association, the Australian War Memorial, and DVA policy staff. CGAC reviewed the applications and made final funding recommendations to the Minister for Veterans' Affairs, who was the final decision maker.
