1. *Saluting Their Service* Commemorations Program grant opportunity processes

The *Saluting Their Service* Commemorations Program is designed to achieve Australian Government objectives.

This grant opportunity is part of the above grant program which contributes to the Department of Veterans' Affairs' (DVA) Outcome 3.2 - Commemorative Activities. The Department of Veterans' Affairs works with stakeholders to plan and design the grant program according to the [Commonwealth Grants Rules and Guidelines 2017 \(CGRGs\)](#).

The grant opportunity opens

We publish the grant guidelines on [GrantConnect](#) and [Community Grants Hub](#) websites.

You complete and submit a grant application

You complete the application form and address all of the eligibility and assessment criteria to be considered for a grant.

We assess all grant applications

We assess the applications against eligibility criteria and notify you if you are not eligible. If you are eligible, we then assess your eligible application against the assessment criteria including an overall consideration of value with money and compare it to other applications.

We make grant recommendations

We provide advice, through the Selection Advisory Panel to the decision maker on the merits of each application.

Grant decisions are made

The decision maker decides which applications are successful.

We notify you of the outcome

We will advise you of the outcome of your application. We may not notify unsuccessful applicants until grant agreements have been executed with successful applicants.

We enter into a grant agreement

We will enter into a grant agreement with you if successful. The type of grant agreement is based on the nature or complexity of the grant and will be proportional to the risks involved.

Delivery of grant

You undertake the grant activity as set out in your grant agreement. We manage the grant by working with you, monitoring your progress and making payments.

Evaluation of the *Saluting Their Service* Commemorations Program

DVA evaluate your specific grant activity and the *Saluting Their Service* Commemorations Program as a whole. We base this on information you provide to us and that we collect from various sources.

1.1 Introduction

These guidelines contain information for the *Saluting Their Service* Commemorations Program grants.

You must read these guidelines before filling out an application.

This document sets out:

- the purpose of the grant program/grant opportunity
- the eligibility and assessment criteria
- how grant applications are considered and selected
- how grantees are notified and receive grant payments
- how grantees will be monitored and evaluated
- responsibilities and expectations in relation to the opportunity.

This grant opportunity and process will be administered by the Community Grants Hub on behalf of the Department of Veterans' Affairs.

2. About the grant program

The *Saluting Their Service* Commemorations Program is part of the Department of Veterans' Affairs Outcome 3.2 - Commemorative Activities Program.

The program is designed to preserve Australia's wartime heritage and to involve people throughout the nation in a wide range of projects and activities that highlight the service and sacrifice of Australia's service personnel in wars, conflicts and peace operations, and promote appreciation and understanding of the role that those who served have played in shaping the nation.

The objective of the program is to acknowledge and commemorate those who served Australia and its allies in wars, conflicts and peace operations.

There are two categories of grants available under the program:

1. Community Commemorative Grants

Grants up to a maximum of \$4,000 available for local, community-based projects and activities

2. Major Commemorative Grants

Grants available for major commemorative projects and activities that are significant from a national or state/territory perspective

The intended outcomes of the grant opportunity are to:

- provide funding for local community-based commemorative projects and activities that directly commemorate the involvement, service and sacrifice of Australia's service personnel in wars, conflicts and peace operations, and
- involve people throughout the nation in a wide range of projects and activities that highlight the service and sacrifice of Australia's service personnel in wars, conflicts and peace operations and promote appreciation and understanding of the roles that those who served have played in shaping the nation.

The Community Grants Hub administers the program according to the [Commonwealth Grants Rules and Guidelines 2017](#) (CGRGs).

3. Grant amount and grant period

3.1 Grants available

The Australian Government is providing a total of \$1 million (GST exclusive) during 2019-20 for the *Saluting Their Service* Commemorations Program grants. The following grant categories are available:

- **Community Commemorative Grants (CCG)**

Grants up to a maximum of \$4,000 are available for local, community-based projects and activities.

These small grants are focused on the local community, commemorate the service and sacrifice of local community members, and are primarily accessed by the local community.

Some examples of CCG projects/activities include restoration of an honour board, purchase of a display cabinet for military memorabilia, and installation of a flagpole to display the Australian National Flag on days of commemoration.

- **Major Commemorative Grants (MCG)**

These are grants for major commemorative projects/activities that are significant, from a national or state/territory perspective.

MCG grants have a much wider focus than the local CCG category, and must be of national/state/territory importance and relevance. MCG projects and activities are targeted at a national/state/territory audience, and have a broader impact than the local community.

MCG grants are usually over \$4,000, with no set maximum grant amount for this category. However, overall program funding is limited, and value for money is considered in the assessment process.

Some examples of eligible MCG projects/activities include installation of a State Memorial dedicated to all who served in the Royal Australian Navy, upgrading the State Avenue of Honour to commemorate the service and sacrifice of Australia's service personnel, or publishing a book documenting the military history of a military unit from the Boer War to the present day.

3.2 Grant period

The maximum grant period is one year after the start date of the grant agreement.

4. Eligibility criteria

The decision maker can choose to waive the eligibility criteria; however, they must be made aware of the risks.

4.1 Who is eligible to apply for a grant?

4.2 Additional eligibility requirements

We cannot fund applications from an organisation that has outstanding acquittals for any previous DVA funding (if applicable).

We will not provide application forms or accept applications for this grant opportunity by fax or mail.

The application form includes help information. You are responsible for making sure your application is complete and accurate. Giving false or misleading information is a serious offence under the [Criminal Code 1995](#) and we will investigate any false or misleading information and may exclude your application from further consideration.

The Community Grants Hub do not have to accept any additional information, or requests from you to correct your application after the closing time.

You cannot change your application after the closing date and time.

If we find an error or something missing, we may ask for clarification or additional information from you that will not change the nature of your application. However, we can refuse to accept any additional information from you that would change your submission after the application closing time.

You should keep a copy of your application and any supporting documents.

You will receive an automated notification acknowledging the receipt of your application.

⁷ Alterations and addenda include but are not limited to: corrections to currently published documents, changes to close times for applications, questions and answer documents.

 - content outline
- **applying for a publication**
 - content outline and sample chapter – consolidated into one document
- **applying as a Trustee on behalf of a Trust**
 - a signed Trust Deed and any subsequent variations – consolidated into one document

You must attach supporting documentation to the application form according to the instructions provided within the application form. You should only attach requested documents. We will not consider information in attachments that we do not request.

Please note: There is a 2mb limit for each attachment.

7.2 Applications from consortia

We recognise that some organisations may want to join together as a group to deliver a grant activity.

In these circumstances, you must appoint a 'lead organisation'. Only the lead organisation can submit the application form and enter into a grant agreement with the Commonwealth. The application must identify all other members of the proposed group.

You must have a formal arrangement in place with all parties prior to execution of the agreement.

7.3 Timing of grant opportunity processes

You must submit an application between the published opening and closing dates.

Late applications

We will not accept late applications unless an applicant has experienced exceptional circumstances that prevent the submission of the application. Broadly, exceptional circumstances are events characterised by one or more of the following:

- reasonably unforeseeable
- beyond the applicant's control
- unable to be managed or resolved within the application period.

Exceptional circumstances will be considered on their merits and in accordance with probity principles.

How to lodge a late application

Applicants seeking to submit a late application will be required to submit a late application request to the Community Grants Hub via support@communitygrants.gov.au.

The request should include a detailed explanation of the circumstances that prevented the application being submitted prior to the closing time. Where appropriate, supporting evidence can be provided to verify the claim of exceptional circumstances.

Written requests to lodge a late application will only be accepted within three days after the grant opportunity has closed.

The delegate or their appointed representative^[1] will determine whether a late application will be accepted. The decision of the delegate will be final and not be subject to a review or appeals process.

Once the outcome is determined, the Community Grants Hub will advise the applicant if their request is accepted or declined.

Expected timing for this grant opportunity

The Hub will divide the assessment and notification of outcomes into three batches during the year. Each batch will contain applications that have been submitted to the grant opportunity over the preceding period. For example, the first batch will contain all applications submitted to the grant opportunity between the opening date of the application period and 3 July 2019. ^[1] This may be the Hub delegate or nominated staff member of the client agency at the EL2 level or above.

8. The grant selection process

The Assessment Centre will review your application against the eligibility criteria. Only eligible applications will move to the next stage. Eligible applications will be considered through an open competitive grant process.

If eligible, we will then assess your application against the assessment criteria (see Section 6) and against other applications. We will consider your application on its merits, based on how:

- well it meets the criteria
- it compares to other applications

A Selection Advisory Panel will consider whether it provides value with relevant money.⁸

When assessing the extent to which the application represents value with relevant money, the Selection Advisory Panel will have regard to:

- the overall objective/s to be achieved in providing the grant
- the relative value of the grant sought
- the extent to which the evidence in the application demonstrates that it will contribute to meeting the outcomes/objectives.
- how the grant activities will target groups or individuals.

8.1 Who will assess and select applications?

The Assessment Centre will assess each eligible and compliant application on its merit and compare it to other eligible applications. The Assessment Centre will be made up of Community Grants Hub staff, who will undertake training to ensure consistent assessment of all applications.

After applications are assessed by Community Grants Hub staff, each application will be considered by two panels. The first being the Selection Advisory Panel (SAP), consisting of staff from the Department of Veterans' Affairs policy area, and Community Grants Hub staff. Following this, each application will then be considered by the Commemorative Grants Advisory Committee (CGAC).

The CGAC is comprised of representatives from the Repatriation Commission, the Returned Services League of Australia, the Australian Local Government, the Australian War Memorial and the DVA. The CGAC will inform the final recommendations for funding by confirming your application meets the eligibility criteria and eligible grant projects and activities (refer to Sections 4.1 and 5.1).

The Selection Advisory Panel or CGAC may seek additional information about you or your application and this may delay completion of the selection process. They may do this from within the Commonwealth, even if the sources are not nominated by you as referees. The Assessment Centre may also consider information about you or your application that is available through the normal course of business.

The CGAC recommends to the decision maker which applications to approve for a grant.

⁸ See glossary for an explanation of 'value with money'.

8.2 Who will approve grants?

The Minister for Veterans' Affairs (the decision maker) decides which grants to approve taking into account the recommendations of the CGAC and the availability of grant funds for the purposes of the grant program.

The decision maker's decision is final in all matters, including the:

- approval of the grant
- grant funding amount to be awarded
- terms and conditions of the grant.

There is no appeal mechanism for decisions to approve or not approve a grant.

9. Notification of application outcomes

We will write to you about the outcome of your application. If you are successful, you will be advised of any specific conditions attached to the grant.

9.1 Feedback on your application

A Feedback Summary will be published on the Community Grants Hub website to provide all organisations with easy access to information about the grant selection process and the main strengths and areas for improving applications.

Individual feedback will be available. The process for requesting individual feedback will be included in the letter advising of the outcome of your application.

10. Successful grant applications

10.1 The grant agreement

You must enter into a legally binding grant agreement with the Commonwealth. We will offer successful applicants a Commonwealth Simple Grant Agreement or a Letter of Agreement for this grant opportunity.

We use two types of grant agreements for this grant opportunity. Our selection will depend on the associated risks and complexity of your grant activity.

Each agreement has general/standard grant conditions that cannot be changed. Sample grant agreements are available on GrantConnect and Community Grants Hub websites as part of the grant documentation. We will use a schedule to outline the specific grant requirements.

We must execute a grant agreement with you before we can make any payments. We are not responsible for any of your expenditure until a grant agreement is executed.

Your grant agreement may have specific conditions determined by the assessment process or other considerations made by the decision maker. These will be identified in the agreement.

The Commonwealth may recover grant funds if there is a breach of the grant agreement or if grant funding is unspent at completion of the grant agreement.

Letter of Agreement

We may send you a Letter of Agreement providing you with an offer. You accept the offer by signing and returning the Letter of Agreement to us by the date stipulated in the Letter of Agreement. We consider the agreement to be executed from the date the grant agreement has been signed by both parties.

Commonwealth Simple Grant Agreement

Alternatively, we may use a Commonwealth Simple Grant Agreement.

You will have twenty (20) business days from the date of a written offer to sign and return this grant agreement. The agreement is not considered to be executed until both you and the Commonwealth have signed the agreement. During this time, we will work with you to finalise details.

The offer may lapse if both parties do not sign the grant agreement within this time. Under certain circumstances, we may extend this period. We base the approval of your grant on the information you provide in your application.

10.2 How we pay the grant

The grant agreement will state the maximum grant amount to be paid.

We will not exceed the maximum grant amount under any circumstances. If you incur extra costs, you must meet them yourself.

The grant agreement will state the timing of the payment.

We will either pay 100 per cent of the grant on execution of the grant agreement, or we will make payments according to an agreed schedule set out in the grant agreement. You will be required to report how you spent the grant funds at the completion of the project/services.

If paid per an agreed schedule, payments are subject to satisfactory progress on the project/services.

10.3 Grant payments and GST

The Australian Taxation Office advises that DVA grants are considered a Financial Assistance Payment and so they are not subject to GST. In accordance with that advice:

Organisations registered for GST:

- are required to calculate the GST exclusive component of the cost of any item or service purchased for their proposed project
- provide the final total GST exclusive amount in their grant application
- can claim an input tax credit through their BAS Statement to the ATO, for the GST component of purchased items or services.

Organisations NOT registered for GST are:

- not able to request an input tax credit from the ATO for the GST component of purchased items or services
- required to provide the final GST inclusive amount in their grant application.

If you have any queries in relation to the transactions you enter into with third parties as a result of a grant received under the *Saluting Their Service* Commemorations Program, you may wish to speak with the ATO or your financial advisor about the effect of receiving a grant before you enter into a grant agreement. You can also visit the Australian Taxation Office website for more information.

11. Announcement of grants

If successful, your grant will be listed on the GrantConnect website within 21 calendar days after the date of effect as required by Section 5.3 of the [CGRGs](#).

12. How we monitor your grant activity

You should let us know if anything is likely to affect your grant activity or organisation.

We need to know of any key changes to your organisation or its business activities, particularly if they affect your ability to complete your grant, carry on business and pay debts due.

You must also inform us of any changes to your:

- name
- addresses
- nominated contact details
- bank account details.

If you become aware of a breach of the terms and conditions under the grant agreement, you must contact us immediately.

12.1 Reporting

When we use a Commonwealth Simple Grant Agreement, you must submit reports in line with the grant agreement. You may be required to report on:

- progress against agreed grant activity milestones and outcomes
- expenditure of the grant.

The amount of detail you provide in your reports should be relative to the size and complexity of the grant and the grant amount.

Other Reports - Expenditure Report

An expenditure report must include evidence that the amount previously paid has been spent in accordance with the grant activity. Where payments are made on an agreed schedule, we will only make grant payments when we receive satisfactory progress reports.

You must tell us of any reporting delays with us as soon as you become aware of them.

Final report

When you complete the grant project, you must submit a final report.

Final reports must:

- identify if and how outcomes have been achieved
- include the agreed evidence as specified in the grant agreement
- identify the total eligible expenditure incurred
- be submitted by the due date specified in the grant agreement of completion.

12.2 Financial declaration or non-audited financial acquittal

Depending on the grant agreement in place, we may ask you to provide a financial declaration that the grant money was spent in accordance with the grant agreement and to report on any underspends of the grant money.

Alternatively, we may ask you to provide a non-audited financial acquittal report. A financial acquittal report will verify that you spent the grant in accordance with the grant agreement and to report on any underspends of the grant money.

Unspent funding must be returned to the department.

12.3 Record keeping

We may also inspect the records you are required to keep under the grant agreement.

12.4 Evaluation

We will evaluate the grant program to see how well the outcomes and objectives have been achieved. We may use information from your application and reports for this purpose. We may also interview you, or ask you for more information to help us understand how the grant impacted you and to evaluate how effective the program was in achieving its outcomes.

12.5 Acknowledgement

The grantee will appropriately acknowledge, if practicable, that the activity was funded under the Commonwealth Government's *Saluting Their Service* Commemorations Program.

Further, the grantee agrees to insert the following disclaimer into any publication or material relating to the activity:

The Commonwealth has not participated in the research, production or exercised editorial control over the Activity or its contents. The views expressed and conclusions reached herein do not necessarily represent those of the Commonwealth, which expressly disclaims any responsibility for the content or accuracy of the Activity.

13. Probity

The Australian Government will make sure that the grant opportunity process is fair, according to the published guidelines, incorporates appropriate safeguards against fraud, unlawful activities and other inappropriate conduct and is consistent with the CGRGs.

These guidelines may be changed by the Department of Veterans' Affairs. When this happens, the revised guidelines will be published on [GrantConnect](#) and the [Community Grants Hub](#) websites.
