### A. Purpose of the Grant

The purpose of the Grant is to:

Build innovative ways to increase the independence, social and community participation of people with a disability. Information, Linkages and Capacity Building (ILC) will deliver on this objective by building individual capacity to live an ordinary life and creating opportunities in the community that benefit all Australians with disability, their carers and families. Ultimately, ILC will help to drive the change required across all sections of the community to support the inclusion of people with disability.

This Grant is being provided under, and these Grant Details form part of, the Agreement between the Commonwealth and the Grantee.

The Grant is being provided as part of the Community Inclusion Capacity Development program.

## B. Activity

Individual Capacity Building (ICB) activities build the capacity of people with disability by ensuring they have the knowledge, skills and confidence they need to set and achieve their goals. The proposed activities must be for the primary and direct benefit of people with disability, and developed and delivered in collaboration with people with disabilities.

You must implement the Activity proposed in your application for the ICB Grant Round 2020-2021. In undertaking the proposed ILC Activity, you are required to take an outcomes focussed approach to your implementation.

In undertaking this Activity, you must, in consultation with the Department of Social Services (DSS):

- identify Activity outcomes relevant to your Activity that will contribute to the objectives of the grant round;
- identify, and document in the Activity Work Plan, the key evaluation questions that will enable you to evaluate your contribution to these objectives and the data collection methods you propose to use to provide evidence of this;
- monitor, evaluate and report the effectiveness of your Activity, using resources provided by DSS and how it has resulted in outcomes for people with disability or made a contribution to the grant round objectives; and
- keep all records of outcomes monitoring, evaluation and reporting for 5 years to participate in any future evaluation activity undertaken by, or on behalf of, the DSS to measure the impact of ILC.

This Grant is conditional on your organisation ensuring Activities funded under this Agreement do not duplicate any current local, state and territory or Commonwealth Government responsibilities and that people with disability are involved in the implementation of the activity including the governance and the delivery of the Activity and the development of any resources.

Payments will be made in accordance with standard payment terms of Government upon endorsement of deliverables as indicated in the Payment Milestone at **Item D – Payment of the Grant**.
