FUNDING DETAILS

1. What is the minimum or maximum funding amount available for the ECP grant?

There is no maximum amount for which applicants can apply for. Whether the application represents 'value for money' will be taken into consideration during the selection process.

The minimum funding amount that applicants can apply for is \$100,000 per year (or \$300,000 over three years).

2. Is the funding ongoing?

No. The maximum grant period is three years.

3. Does the application form allow applicants to identify other funding sourced for the activity and the status of that additional funding source?

Yes. The online application form asks whether the activity relies on any contributions other than the ILC funds being applied for, the source of the funding, the amount and the status of the application.

4. Will the National Disability Insurance Agency (NDIA) consider part-funding of an application?

If some of the elements within a funding proposal do not meet the grant round purpose or provide value for money, the NDIA may consider funding part of an application. Consideration will be at the NDIA's discretion.

5. Will there be more ECP program funding available after this round is completed?

The NDIA may open other grant opportunities under the ECP program prior to 2022.
