In accordance with that advice,

If your Organisation is registered for GST you:

- are required to calculate the GST exclusive component of the cost of any item or service purchased for your proposed project
- must provide the final total GST exclusive amount in your grant application
- can claim an input tax credit through your Business Activity Statement (BAS) to the ATO, for the GST component of purchased items or services.

If your Organisation is NOT registered for GST you are:

- not able to request an input tax credit from the ATO for the GST component of purchased items or services
- required to provide the final GST inclusive amount in your grant application.

If you have any queries in relation to the transactions you enter into with third parties as a result of a grant received under the *Saluting Their Service* Commemorative Grants Program, you may wish to speak with the ATO or your financial advisor about the effect of receiving a grant before you enter into a grant agreement. You can also visit the [Australian Taxation Office](#) website for more information.

Grants are assessable income for taxation purposes, unless exempted by a taxation law. We recommend you seek independent professional advice on your taxation obligations or seek assistance from the [Australian Taxation Office](#). We do not provide advice on your particular taxation circumstances.

For example:

Your organisation is registered for GST

- You are applying for a commemorative plaque in your *Saluting Their Service* application.
The cost of your plaque is \$1,000 plus \$100.00 GST
The total cost is \$1,100 (GST inclusive).
- You will enter \$1,000 in your *Saluting Their Service* application.
- If your application is successful, you will receive a grant for your commemorative plaque for \$1,000.
- You may then claim an input tax credit through your BAS to the ATO for the \$100 GST component of the purchased commemorative plaque. More information about how to claim input tax credits is available on the [ATO website](#).

Your organisation is NOT registered for GST

- You are applying for a commemorative plaque in your *Saluting Their Service* application.
The cost of your plaque is \$1,000 plus \$100.00 GST
The total cost is \$1,100 (GST inclusive).
- You will enter \$1,100 in your *Saluting Their Service* application.
- If your application is successful, you will receive a grant for your commemorative plaque for \$1,100.

More information on GST can be found on the [ATO](#) website.
