

Biosecurity Business Grant program Draft Project Plan

- **Please complete each field of this Draft Project Plan and upload the completed document in your grant application on GrantConnect.**
- Your Draft Project Plan will be used by the panel to assess your application against the assessment criteria.
- If you have a business plan or a more extensive project plan you may wish to attach this to your application.
- The completion of a final project/business plan may become the first milestone in your grant agreement if you are successful.
- Grant activities must contribute to biosecurity outcomes in northern Australia and support increased business/economic opportunities for Indigenous people (see section 6 of the Grant Opportunity Guidelines).
- For a description of eligible grant activities and eligible and ineligible expenditure refer to section 5 of the Grant Opportunity Guidelines.

Applicant name

Project title
