Implementing Information, Linkages and Capacity Building (ILC) - ILC Jurisdictional Based Grants - ACT - Grants under \$10,000

Application Information

Information, Linkages and Capacity Building (ILC) is all about inclusion of people with disability. It is about creating connections between people with disability and their communities. One way the NDIA wants to help create those connections is through providing grants to organisations.

The objective of the ILC Jurisdictional Based Grants - Australian Capital Territory funding round is to facilitate the roll out of ILC in the Australian Capital Territory. This objective will be achieved by funding organisations to implement activities that deliver outcomes for people with disability, their families and carers in each of the following four Activity Areas of the ILC Policy:

- Information, linkages and referrals
- Capacity building for mainstream services
- Community awareness and capacity building
- Individual capacity building.

The NDIA encourages applications from organisations for proven and/or innovative models of delivery across all Activity Areas that increase the independence, social and community participation of people with a disability. The activities funded will meet identified needs and interests of people with disability, and will reflect a contemporary, positive and progressive approach to inclusion.

Closing Date/Time

Applications must be submitted by **2:00pm** Canberra local time on **Wednesday 8 March 2017** .
